Dear Mr Stichbury

## **Regarding corruption at the Turitea and Puketoi wind farm projects**

Thank you for your correspondence from 1 November 2017 regarding the Turitea and Puketoi wind farm projects. Your email was also addressed to Hon David Parker, and I am replying on behalf of us both.

As Minister of Justice, I am proud of New Zealand's first-equal ranking in the Corruptions Perceptions Index. This ranking reflects the good systems we have in place for exposing and investigating corruption.

If you have suspicions of corruption, you should contact the New Zealand Police and Serious Fraud Office to make a formal complaint. For public sector corruption, the Office of the Controller and Auditor-General and the Office of the Ombudsmen can independently investigate, if appropriate.

Thank you for taking the time to write.

Yours sincerely

**Hon Andrew Little**  
**Minister of Justice**
